

WE ARE THE BANC FOR **MIDDLE MARKET COMPANIES**

Specialized business services that help fuel growth and success

Banc of California's experienced Middle Market Banking Team delivers a full range of products and services to help you grow your business.

As a division of Banc of California Commercial Banking, our Middle Market Banking Team has access to a wide range of specialized products and financing solutions that create opportunities for forward-looking companies.

Whether you're looking to expand, make an acquisition, adapt to market changes, or improve operations, our Middle Market Banking Team has the expertise to offer support and custom solutions. The specialized services we deliver include:

Loans and Financing

Tailored financing solutions to support business needs, including equipment financing, working capital lines of credit, acquisition financing and owner-occupied real estate loans. We are able to structure both asset based and cash flow loans.

Global Treasury Management

Optimize your cash flow with our comprehensive treasury management solutions. From business online banking to streamlined integrated payables and receivables, and advanced information management, we provide the tools you need to efficiently manage cash resources and maximize working capital.

International Banking

A comprehensive range of products and services to meet your global banking needs. Our offerings include correspondent banking, Multi-Currency Accounts (MCAs) for seamless international transactions, advanced FX capabilities for efficient currency management, Trade Finance solutions to support global commerce, and SWIFT for Corporates to simplify payment processes worldwide.

Payment Solutions

Robust online merchant processing services, advanced fraud protection tools, and more.

Card Solutions

Commercial card solutions including virtual cards, cash-back rebates and expense management tools.

Lockbox and Cash Vault Services

Outsource remittance processing to enhance cash flow and reduce float, while our secure transport and vaulting services ensure convenient and timely deposits with options for same-day or next-day credit.

WE ARE THE BANC FOR MIDDLE MARKET COMPANIES

Specialized business services that help fuel growth and success.

About the Middle Market Banking Team

Our Middle Market Banking Team has years of experience serving companies across various industries and is dedicated to helping your business thrive.

Premier Client Service

You'll receive exceptional, ongoing support from a dedicated team focused on your needs and success. They will strive to understand your company in detail and your unique challenges and goals. As your trusted banking partner, they are always available, constantly in touch, and committed to helping your business thrive.

Tailored Solutions

Your dedicated team is with you every step of the way. They take a proactive approach to understanding your business, vision, and challenges. Only then do they create and provide a customized solution for your company.

Industry Expertise

Banc of California has been one of the strongest and most trusted banking partners to business since 1941. We are a premier, relationship-focused, full-service business bank that has the resources and expertise to help your business grow and succeed.
