

BANC OF CALIFORNIA

BANCEDGE

WE ARE THE BANC FOR **PAYMENT PROCESSING** BANCEDGE POINT-OF-SALE AND E-COMMERCE SOLUTIONS

BancEdge payment processing solutions empower businesses of all sizes with seamless, secure and scalable payment experiences.

Our comprehensive platform helps streamline operations, enhances customer convenience and is backed by Banc of California's trusted service and support.

Accept Payments Anywhere

Accept payments in store, online, on mobile and through self-service, including Apple Pay and Google Pay, giving your business the flexibility to empower your customers.

Fast Access to Funds

Accelerate cash flow with quick funding to support operations and drive growth.

Advanced Security

Safeguard sensitive data and protect your business from financial losses with a PCI-compliant gateway, tokenization and fraud prevention tools.

Streamline Operations

Save time and reduce manual work with tools that automate invoicing, manage bulk transactions and simplify reporting so your business runs smoothly and efficiently.

Tailored Solutions for Growth

Easily manage multiple locations, inventory and online acceptance with turnkey solutions. Adapt to your evolving needs with tools and APIs designed to scale with your growing business.

Effortless Transactions

Simplify billing with invoicing, link-to-pay, QR code payments and recurring payment support, including secure customer vaults to deliver convenience and build loyalty.

Cutting-Edge Tools

Access advanced features like Level III Data Support for lower interchange rates, mobile SDKs for flexibility and 125+ shopping cart integrations to streamline e-commerce.

Dedicated Support

Leverage a unified team for payment and banking needs, backed by 24/7 assistance.
